Oh those blue mushrooms?

They're psychedelic mushrooms FYI.

According to my book those mushrooms aren't.

Yeah!

Actually check the revised edition ©1968 those mushrooms ARE...

And you're gonna be tripping balls in a few min ladies..

HUMF

FUCK OFF!

FINE I was gonna share the secret of the forest with you.. but y'all are being hella RUDE so I'm out!

Do you think he was telling the truth?

heh heh..

I feel like we would have started tripping... it's been awhile since we ate them.

Ooohhh my head feels ... incredibly heavy....
